Dear Resident,

## Proposed Carriageway Patching Repairs – Driffield Road, Wansford and Wansford Road, Driffield

As part of the Council’s capital programme of carriageway maintenance works, East Riding of Yorkshire Council intend to undertake carriageway patching repairs at the above locations between the Whin Hill Old Route Road junction and the Nafferton Road junction on Thursday 18 November and are expected to last for four days. Working hours will be 08:00 – 17:00hr (Weather permitting). The carriageway patches will be treated with a surface dressing next Summer. The working hours will be 08:00 – 17:00hr (Mon-Fri).

For the safety of the workforce and residents, the B1249 will be closed to through traffic during the working hours with a signed diversion route in operation via Nafferton Road, Wansford Road, Station Road, Priestgate, Middle Street, High Street, Driffield Road, Bridlington Road, Wansford Road and return. Vehicular access to properties within the works area will be maintained; however delays are to be expected due to the nature of the works being undertaken. Access for emergency services, pedestrians and post services will remain unaffected throughout. I would like to apologise in advance for any inconvenience caused by these works.

Should you require any further information, have any special requirements for access or wish to make any comments (either before, during or after the work has taken place) please contact;

Whilst the works are underway	Andrew Strauther (Assistant Manager)	Tel. 01482 393939 andrew.strauther@eastriding.gov.uk
Other enquiries	David Berry (Senior Engineer)	Tel. 01482 393939 david.berry@eastriding.gov.uk

Yours faithfully

*Richard Bowering*
